

Pennine's Mission Statement

Pennine Community celebrates the unfolding of each person's potential for growth in a setting which encourages learning together; care and respect for the environment; new social forms and activities.

We aim to:

Recognise, nurture and value uniqueness of all people

Create, develop and sustain a holistic learning environment

Encourage self-development and learning opportunities with a prime focus on students engaged in our core activities but also including all others engaged in any of the activities undertaken or associated with Pennine

Develop and sustain a Camphill therapeutic community

Care and promote care for nature and the environment

Create, support, develop and learn from activities in sympathy with the Community's mission

Encourage participation of people from varied cultures, nationalities, and abilities without prejudice, to experience and help further these aims
